RAILROAD STATION, YARDS, AND SHOPS

SOVETSKAYA GAVAN, USSR

Sovetskaya Gavan is the most important naval base in the Maritime Province north of Vladivostok. It is situated on the east coast of Siberia on the Gulf of Tartary, and is the terminus of the 804-kilometer single track line which leaves the Trans-Siberian Railroad at Dezhnevka, 37 kilometers west of Khabarovsk. An analysis of traffic on this line was presented in HTA/JM-18/58.

The Railroad Station, Yards and Shops, which serve the entire Sovetskaya Gavan area, are actually located in the small town of Pyatisotka. However, the railroad extends beyond Pyatisotka approximately 26 kilometers southeast to the town of Sovetskaya Gavan proper.

Facilities in the Sovetskaya Gavan (Pyatisotka) Station, Yards and Shops are annotated on the accompanying line drawing and described in the following key to annotations.
